2" \& 4" extensions for front mount hangers shipped separate, not mounted. Front seat height must be at least $2^{\prime \prime}$ taller than lower leg length on all swing in/out hangers. Front seat height must be at least 2 " taller than maximum lower leg length on all front mount hangers. All values shown apply to Standard frame style, subtract $1.5^{\prime \prime}$ to get Hemi equivalent. More than 2 " will require on field adjustment.
