

MEDmobility Lunch & Learn

Rehab Level Commodes & Walkers

Date: Wednesday, June 10, 2026

Time: 11:30 am to 1:30 pm (Exhibits to 2:30 pm)

Location: Ramada Hotel @ 5359 Calgary Trail Edmonton

You are invited to join MEDmobility for an educational luncheon featuring advanced mobility and bath safety solutions designed for clients with complex rehabilitation and mobility needs.

This session will explore rehab-level forearm walkers, platform walker systems, shower commode seating with positioning considerations, gait support, and practical strategies to improve safety, posture, comfort, and independence.

Ideal for clinicians working with clients experiencing neurological conditions, balance deficits, arthritis, weakness, limited grip strength, or reduced mobility.

We hope you can join us for this informative and practical educational session.

Presentations by the following manufacturers:

- Sunrise Medical
- Invacare Canada
- Dynamic (Medsupply)
- Evolution
